

Finally

FINALLY

Carolyn Malachi

GOLD

Finally
I'm finally free
Finally
I'm finally me
Finally
I'm finally free
Finally
I'm finally me

Every day is a holiday when you're away
'Cause nobody is in my face bothering me
Are you for me
Or against me
What do you want me to be
Oooh, right now
Oh, how
I will breathe
When you leave
Finally

Finally
I'm finally free
Finally
I'm finally me
Finally
I'm finally free
Finally
I'm finally me

It's hot night
In a cold town
I got places to be
Oooh, right now
Oh, how
I will breathe

When you leave
Finally

Everything is A-OK
My time to play
'Cause all this hurt
Is too much work
I ought to be free
You see my colors
Are changing
Rearranging what you mean to me
Ooh Right now
Oh, how
I will breathe
When you leave
Finally

Finally
I'm finally free
Finally
I'm finally me
Finally
I'm finally free
Finally

I'm finally me

Couldn't be
Happier to give you space
That's the only way to keep you out my face
Finally

Finally
I'm finally free
Finally
I'm finally me
Finally
I'm finally free
Finally

I'm finally me

*Lyrics (melody and words) written and performed by Carolyn Malachi for Carolyn Malachi Legacy Brands (ASCAP).
Music composed and produced by Lorenzo Johnson for ZoSmooth Music (BMI). Guitar played by Alvin White.
Additional Engineering by James McKinney. Recorded by Lorenzo Johnson. Washington, DC*
